

15th Annual Alive to Life

May 1, 2019

A day away for people who
want to stay alive
for as long as they live!

This day is designed for adults, sixty and older, to dispel the myths of aging, to reinforce the positive aspects of aging, to provide information to help meet the physical, mental, emotional and spiritual needs of older adults, and to provide an opportunity for unadulterated fun.

This annual event is held in the Rouman Cinema (next to Kohl's in Rhinelander). This large facility is ideal with a huge lobby for our continental breakfast and luncheon and break-out workshops in the theaters with comfortable high-backed chairs. Fully handicap accessible.

We have a wonderful lineup of presenters starting with our Keynote Speaker, Pam VanKampen. Pam is an experienced speaker many of you may recall as a workshop speaker at several past ALIVE TO LIFE events. Her energy and humor is infectious and will be the perfect positive start to the day. Following the keynote, we have a day full of wonderful educational and entertaining workshops for you to choose from that cover a wide variety of topics.

Registration fliers will be mailed the week of April 2nd to participants who attended this event in the last two years. If you are not already on our mailing list you can request a flier by contacting the ADRC of Vilas County or the ADRC of Oneida County.

This day is made possible by our major sponsor, Rennes Health & Rehab Center. The Aging & Disability Resource Center (ADRC) of Oneida County is the hosting agency with support from the ADRC of Vilas County and the Forest County Office on Aging.

Avoid disappointment and register as soon as you get the brochure!
