

August 2020

Primetimers' Gazette (the condensed version)

Greetings: from The PrimeTimer Board

We hope you're not too bored or going stir-crazy. Our nine Board members met and distanced ourselves to try and keep safe while determining how best to proceed with our club's activities and events. We have not planned any normal activities (plays, concerts, etc.) because they have either been canceled, postponed, or because we don't feel comfortable hosting them. Our number one concern is the health and safety of our members. Remember when the Titanic was sinking and the band continued to play? Well, we're the band.

We have 114 members signed up for the current year; how wonderful! Please read the notice regarding our next meeting and come join us.

Reminders:

- * Due to the canceling of most of our activities, we will not be having our annual Volunteer Dinner in September. Hopefully, next year things will be closer to being back to normal!!
- * Because we have not had any of our usual fundraising activities, when the board reviews our donations list in September, many will need to be dropped for this year. The board will consider what the "essential & critical" donations are that need to be made.
- * Please be sure to look for your newsletter each month. Whether you get it by U.S. mail or by e-mail, most of the time you should have it in your mailbox by the middle of the month. You can always look for it on our website, along with news of our upcoming events: <http://www.stgermainprimetimers.org/>

Important Notification!!!

August will be the last newsletter sent to those who have not renewed! Please send in your membership application and dues if you want to continue being a PrimeTimer and receive our newsletter. Forms can be found on our website and mailed to our PO Box. If you receive the newsletter via snail-mail check your label for green highlighting and if you get yours by e-mail read the message before clicking the link. This will let you know that you have not renewed.

August's Meeting in Review

Well, the Covid-style picnic was a success. Forty-five of our members came armed with their picnic lunches, chairs and smiles on their faces. We cleared out the snacks, candy, water and soda from our stores. The annual meeting took place with a review of the year given by Barb Steinhilber. Everyone voted and we have all of our board positions filled for another year. Many shared that they were glad to be able to safely visit with their PrimeTimer friends. All look forward to the September meeting.

Voting Results For Our Board Of Directors:

Congratulations to the PrimeTimer Board Members who are starting a new 2-year term.

Sunshine Report: from Karen Grills-Engel, our Sunshine Lady

Hip Hooray! There were no cards sent out this month. No deaths, no illnesses, and no sad news to pass on; life doesn't get any better than that! Karen Grills-Engel is our Sunshine Lady. If you know of any member in need of cheering up for any reason please call Karen at 715-479-5322 or email her at karengrillengels@gmail.com

Kudos Korner: from Margie, PrimeTimers' Vice-President

This month I would like to send my KUDOS to two of our members for their hard work. Barb Steinhilber gathered all of the data for the 2019-2020 year and shared it with us. It is always amazing to hear of all the things the PrimeTimers do each year. Milt Klingsporn has ordered and set up our new printer and ordered the cargo carrier with enclosed box for the van. In addition, he took the van to the car wash and scrubbed it clean, both inside and out. Thank you Barb & Milt for your time and energies completing these tasks. Everyone clap your hands for Barb & Milt. Great Job you two!!

Calling any volunteer:

Judie Berard is overseeing a project called **PrimeTimer Homemade** for when Northland Pines hosts another Music Cabaret. Judie hopes that the PrimeTimers can step up and make homemade items that could go into a basket or two for their fundraising tables. So people who quilt, sew, crochet, knit, scrap, do woodworking, bake, can fruits or jellies, make candies, ... please contact her and let her know you would like to help: 715-479-6659. We are sure that the schools can use all the help they can get!
